

What is the series about?

Celebrating the power of coming together and learning from one another. Different member organizations are here with their fabulous offerings for young people, youth workers and/or organizations. The Learning Event Series bring together amazing opportunities through programs, sessions, fellowships, internships, and an array of awe-inspiring tools and guides that will have you saying, "Wow, I never knew this existed!"

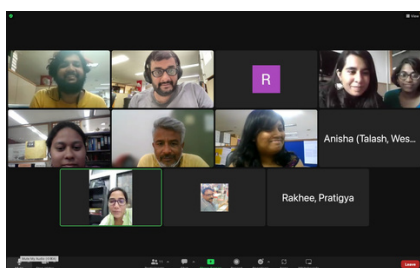

Looking back at the Season 1 of the POC Learning Events Series

We had an amazing time in the first few sessions, filled with energy and participation from all over the coalition
