DESIGNS & JOURNEYS

Togetherness Table

An intergenerational experience to transform limiting feelings into positive energy through dialogues and experiential tasks around love, freedom, ownership, learning and social hope. There were two editions - Constitution and Wellbeing

Samjho Toh

Samjho Toh - The Samvidhan LIVE! Dialogues & Fraternity Labs to bring together polarised young people to dialogue across faultlines using the framework of the constitution to collaborate on a co-create a shared idea of india

Q-ki Championship

A reality check, intergenerational championship played through interactive quizzes, plutories performances on case studies and best practices to create awareness. There were two editions - YDR and Wellbeing

Gender Jagrik

Young men and boys who may have been perpetrators and who are now Inspired Insiders working within their communities to co-lead norm change on gender based violence, enhance gender equality in leadership and decision making, and shift narratives about masculinity

"I was someone who believed my belief was the only truth. I was never curious about another's perspective. I had a very strong stance and never wanted to listen and discuss anything with anyone. But with Samjho Toh, something changed. I was surprised at my own curiosity and I started asking more questions. I realize that asking questions is what makes us educated."
 - Gopal Singh Gandhwani, 19, Fraternity Champion
